Times-Dispatch Bureau, 5 Bellbrook Street, (Telephone 1185).

Petersburg, Va., May 15.—The Republicans of the Fourth Congressional District, met in convention here this afternoon, in response to a call, elected delegates to the national convention at Chicago, and transacted much other business. About fifty delegates, representing every county and city in the district were present, and the proceedings were entirely harmonious. The majority of the delegates were colored.

H. L. Jackson, of Nottoway, president, and Peter W. Harris, of Sussex, were secretary. The call for the convention was read, and in substance was as follows:

"To the Republicans of the Fourth District of Virginia:

"Whereas, certain men claiming to be Republicans have met at various places and times in this State and illegally and fraudulently held what were called city, county and district conventions, and a State convention, in violation of the principles of the Republican party and contrary to the letter and spirit of the call of the Republican National Committee, and did in such conventions improperly and illegally elect delegates to the Republican National Convention, which meets in Chicago, June 18, 1912, and did elect a chairman for the Republican party for the State of Virginia, and did so many other illegal and fraudulent acts destructive of the best interests of said party; and

"Whereas, these illegal meetings were held in places purposely designed to prevent the attendance of many qualified Republican electors, who could not attend such meetings without subjecting themselves to great bodily harm; and

"Whereas, it is the desire of Virginia Republicans to take steps to reform the unlawful acts above referred to, and to have and to hold in full city, county and district conventions, and a State convention, organized so as to properly express the will of the Republican electors of Virginia;

"Therefore, the Republicans in each county and city in the district are requested to meet in Wilkesboro, Petersburg, on May 15, in mass-con-

Roosevelt Indorsed.

The committee on resolutions reported the following, which was unanimously adopted:

"The Republican electors of the Fourth Congressional District of Virginia, duly assembled in conformity with the call of the National Convention of the party, solemnly reaffirm our allegiance to the ancient and honorable principles of the grand old party that came into being as the result of the Civil War.

"We denounce the present party management in this State and district as being the exponent of the most offensive form of 'Lily Whiteness' in existence; and believe and hope we will have success in the polls, as our consideration in the party councils will come through the success of that magnificent leader, Theodore Roosevelt, who declares for a 'square deal'.

"We therefore pledge him our loyal and individual support for the Republican nomination for President of the United States.

"We indorse J. M. Newcombe, of Petersburg, as State chairman, and Dr. C. Jarvis Bowen, of Norfolk, as national committeeman from Virginia.

Assurance has been given by Senator Dixon, Roosevelt's campaign manager, that the contesting delegation from Virginia will be certainly seated.

Jesse M. Newcombe, of this city, who is indorsed for State chairman, is a well known merchant of this city. He has been urged for this position by being the Republican elector of this district, and has the indorsement of the Roosevelt manager.

One of the specialists said in reference to the condition of the city, "worry and anxiety of city dwellers is too much of a strain on the constitution of most people, and nervous debility is the result. This malady is not thoroughly understood by American people as yet, but it is a very common complaint. 'Tona Vita' is a certain cure for this trouble, and will act on the mind as well as on the body. Any person afflicted with nervous debility is sure to be nervous, moody and depressed. Exceed Nature's Limitations Daily

City Dwellers Forget That It Is Necessary To Husband Their Resources.

"None but those who have suffered like I have know how miserable I have been," said Mr. Cyril Landy, who resides on the Middlethorpe Pike, about three miles from Richmond, Va. "I think it is the value of 'Tona Vita' the remarkable new tonic.

"For about a year I had been nervous and run down with indigestion and rheumatism. I could not sleep and had horrible nightmares. I was a little better, but I was not cured. I was advised to try 'Tona Vita'.

"I did so with the best of results. In fact, after using a little over two bottles I now consider myself cured. I can recommend it very highly, as I think it is a splendid medicine."

"Hundreds of men and women in cities such as Richmond are suffering with the same run-down, listless, depressed condition, which is produced by overworked nerves, an overworked brain and an overworked stomach. I say the specialists who are introducing 'Tona Vita'.

"There is something behind all this, however," continued these specialists, "and it is nothing other than the strain of modern city life and an artificial environment. Every day of their lives these people are exceeding nature's limitations, and they go carelessly along, neglecting to take time to even consider the serious results until it is too late and debility has set in in its most aggravated form. Nervousness, sleeplessness, impure digestion, stomach and bowel troubles, poor circulation, cold feet, listlessness, depression, loss of energy and ambition are characteristic symptoms of this trouble, which will be quickly and permanently removed by the use of 'Tona Vita'.
